

# Skinny (It's Overflowing)

## Quicksand

I'm on the inside  
I'm on your side  
And each thought stings  
I can't think straightIt's overflowing  
It's overflowing  
It's coming downIt's overflowing  
I'm sinking  
It's overflowingIt's some savior  
You fall into  
And each love stings  
I can't think straightIt's overflowing  
It's overflowing  
It's coming downIt's overflowing  
I'm sinking  
It's overflowing  
It's coming downIt's overflowing  
I'm sinking  
It's overflowing  
It's coming down
