You Need Love Like I Do (With Heather Small)

[Tom Jones](#)

Well, well, well, seems like you pulls only yesterday
When mama told me, don't fall in love with the first girl that comes your way
She was pretty and nice and I took her fast and passed her by
Years have passed and moved like love's gonna give me a second try
More than loved than you first tells me you understand
Could it be your love life like mine, I need a girlfriend's hand
Well, you need love like I do, don't you
I can tell by the way you look, when I'm looking at you
(take it girl) I know it ain't fine and proper for a girl to talk this way
But I can't cope with this loneliness not one more damned on day
Everyday bringing up your clown to keeping my hopes of love
Judging from your silence, boy you must be in the same boat
Well, you need love like I do, don't you
I can tell by the way you look, when I'm looking at you
You need love like I do, don't you
It seems like I'm looking in the mirror, when I'm looking at you
I can't begin to tell the many nights I set down lonely
Come on, tell me girl, has it ever happened to you
I'm gonna tell you something and believe me, it ain't no joke
My love life is just like a sinking boat
I can understand a person beeing without money
You can show me the reason for a person to be without luck
Listen to me now, I'm a girl and you're a guy (yes it's true)
Come on naked and love and try (haha, yeah)
You need love like I do, don't you
I can tell by the way you look, when I'm looking at you
Finding true love is a dream everybody wants to come true
Can't you see it's up to us to make this dream come true
You need love like I do, don't you
I can tell by the way you look, when I'm looking at you
(Well, well) You need love like I do, don't you
It seems like I'm looking in the mirror, when I'm looking at you
Ain't it true, ain't it true, ain't it true
Ain't it true, ain't it true, yes it's so true
Yeah, yeah, yeah
Well, well, well, well, well, well, well
You need love too
You need love like I do, don't you
I can tell by the way you look, when I'm looking at you

(Hey, hey) You need love like I do, don't you
It seems like I'm looking in the mirror, when I'm looking at you
You need love like I do, don't you
I can tell by the way you look, when I'm looking at you
You need love like I do, don't you
It seems like I'm looking in the mirrow, when I'm looking at you
Ain't it true girl
Well, I'm in love
I need love
And I need you
And I need you toooo.....au
