Cake

Melanie Martinez

[Verse 1]
Your skin is warm like an oven
Your kiss is sugary sweet
Your fingers feel like cotton
When you put your arms around me
It feels like I'm just missing
Something whenever you leave
We've got all the ingredients
Except you loving me
And respectfully[Chorus]
I'm not a piece of cake
For you to just discard
While you walk away
With the frosting of my heart
So I'm taking back
What's mine, you'll miss
The slice of heaven that
I gave to you last night[Verse 2]
You smell just like vanilla
You taste like buttercream
You're filling up my senses
With empty calories
It feels like I'm just missing
Something whenever you leave
We've got all the ingredients
Except you needing me
So respectfully[Chorus]
I'm not a piece of cake
For you to just discard
While you walk away
With the frosting of my heart
So I'm taking back
What's mine, you'll miss
The slice of heaven that
I gave to you last night[Breakdown]
If I am just a piece of cake
If I am just a piece of cake
Then, you're just a piece of meat
You're just a piece of meat to me

If I am just a piece of cake
If I am just a piece of cake
Then, you're just a piece of meat
You're just a piece of meat to me[Chorus]
I'm not a piece of cake
For you to just discard
While you walk away
With the frosting of my heart
So I'm taking back
What's mine, you'll miss
The slice of heaven that
I gave to you last night
