

# Alone (Acoustic)

## Eyeshine

Tonight looks like a cold one  
If the moon decides to show  
And dance along the ocean  
None of us will know  
None of us will know So this is the end of it  
It's time for us to go  
Back to where we started  
Back to what we know  
Back to what we know Do you know what it feels like to be alone  
Well I do, I do  
Do you know what it feels like to be alone  
Well I do, I do Tonight looks like a cold one  
If the moon decides to show  
And dance along the ocean  
None of us will know  
None of us will know So this is the end of it  
It's time for us to go  
Back to where we started  
Back to what we know  
Back to what we know Tomorrow's never promised you  
This world is all we share  
I'd die a thousand times for you  
And wonder if you'd care  
I wonder if you'd care at all Do you know what it feels like to be alone  
Well I do, I do  
Do you know what it feels like to be alone  
Well I do, I do I do, I do, I do (yeah) Tonight looks like a cold one  
If the moon decides to show  
And dance along the ocean  
None of us will know
