

# Western Stars (live)

**k.d. lang**

Western stars light up the sky  
Hear the desert wind roll by  
Tonight, tonightWestern stars can break your heart  
They keep shinin' when we're apart  
Tonight, tonightI watch, I wait  
How long will my heart ache  
Tonight, oh tonight  
I watch, I wait  
My heart is bound to break  
TonightWestern stars light up the sky  
Tonight I'm alone to cry  
TonightI watch, I wait  
My heart is bound to break  
TonightWestern stars light up the sky  
Hear the desert wind roll by  
Tonight, tonight, tonight, tonight
