

Can I Get an Amen (feat. Martha Wash)

[RuPaul](#)

Advisory - the following lyrics contain explicit language:

Given all you could, to the relationship
Like a fool done job, 9 to 5 you gotta work it, work it
But the best of you, has yet to arrive
All the love inside is all the love you ever needed, needed All the dreams you had, all the things you've wanted
Don't turn your back, it's not too late
You better love yourself before you love somebody
Love somebody, love somebody [Chorus]
Can I get an amen
Can I get an amen
If you can't love yourself
How in the hell you gonna love somebody else?
Can I get an amen
Can I get an amen
If you can't love yourself
How in the hell you gonna love somebody else?
A-amen Say hello goodbye, maybe another try
After a while you find history repeating-peating
Til you realize, your love is alive
All the love inside is all the love you ever needed, needed All the dreams you had, all the things you've wanted
Don't turn your back, it's not too late
You better love yourself before you love somebody
Love somebody, love somebody [Chorus] There's a fork in the road
Which way will you go?
You standing still or will you step into the great unknown?
It's yours to decide
This is your life
This is your life [Chorus 2x]
