Got a long week ahead of her
When I call, she gets dressed (she dressed)
Her ditsy mind, and her ass

I fly her into Burbank for one thing, it's sex
She does whatever I want her to (yikes)
When I want her to
I'm diving into her
Number one and her, number, two (yikes)

If I go too long, without getting it
Imma get sick (I will)
I fly her out often
Like bitch come get this chocolate dick (yikes)
No music, I
Wanna hear me make her yell (oh)
She don't complain
'Cause she knows the deal
'Cause I pay her well (I do)
She struggle with cash
And I stress a lot
So it's easy bro (it is)
Bitch you know damn well
I need you and you need me hoe (don't lie)
Look, little nasty chick

Then let me down and blow me, Hot (hot)

When she's in my house
She knows, no clothes allowed (uh uh)
No her man calls I, move to the next room (uh oh)
If he finds out what we just did
Oh my god, boom (yikes)
I messed with it, I hit it raw
When I murked her hole
True, no kids for me, She's
On that birth control (alright)
