Nothing's Going to Stop Us Now

Starship

Looking in your eyes I see a paradise
This world that I've found is too good to be true
Standing here beside you want so much to give you
This love in my heart that I'm feeling for youLet 'em say we're crazy, I don't care about that
Put your hand in my hand baby, don't ever look back
Let the world around us just fall apart
Baby we can make it if we're heart to heartAnd we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now, oh noI'm so glad I found you, I'm not gonna lose you
Whatever it takes to stay here with you
Take it to the good times, see it through the bad times
Whatever it takes is what I'm gonna doLet 'em say we're crazy, what do they know?
Put your arms around me baby, don't ever let go
Let the world around us just fall apart
Baby we can make it if we're heart to heartAnd we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop usOoh, all that I need is you, all that I ever need
All that I want to do is hold you forever, ever and everAnd we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us nowAnd we can build this thing together
Standing strong forever, nothing's gonna stop us now
And if this world runs out of lovers
Nothing's gonna stop us nowHey baby, I know, hey baby, nothing's gonna stop us
Hey baby, woo hoo, nothing, hey baby
Nothing's gonna stop us now yeah
