

Come Play With Me

Sue Foley

(musical intro)

I live in a house sittin' way up on a hill.
I left my baby there, you know I love him still

Ah babe, come and play with me
I'm gonna treat ya right baby
You just a-wait and see

I been workin real hard; workin both night and day.
I been a good little girl; gonna bring you home my pay

Ah babe, come and play with me
I'm gonna treat ya right baby
You just a-wait and see

(instrumental break)

I ain't got no money, not even no fancy clothes.
I can't buy no jewelry, not even no nylon hose

Ah babe, come and play with me
I'm gonna treat ya right baby
You just a-wait and see
I'm gonna treat ya right baby
You just a-wait and see

Just wait and see
Just wait and see
Just wait and see
Just wait and see
