

Wobble

Six Reasons

You claim you gotta bad bitch but do she like girls when her hair gets wet does it turn into curls
Does she got her own whip? Is she a 10 not a one when you fuck her back do she ever try to run
Do her camel toe show when she wear sweatpants? Do you gotcha bitch in line like she at a check stand.
I'm the man in club but I used to sell crack and if I'm wear Gucci shoes then belt gon match all these bitch dick
used to call me a lure all this ice only check bitch call me a cooler but her pussy so tight like a star lap beat had
