A Chance For Love
Girl it's time to show your stuff
And let me know what you're made of
We can work like hand and glove
Rub me all over so that i just can't get enoughThe moon is full, the night is hot
Feels so good, hope we never stop
Feels so right, can't be wrong
Gimme you love tonight
I'm gonna give it to you all night long
Chorus
This is a chance for love girl
This is a chance for love
This is a chance to show your heart
This is a chance for love girl
This is a chance for love
This is a chance for loveI'm burning up with sweet desire
And only you can cool the fire
Just one thing that i require
Keep turning me on so the tempertature rises higherThe moon is full, the night is hot
Feels so good, hope we never stop
Feels so right, it can't be wrong
Gimme you love tonight
Gonna give it to you all night longChorus 2X
(rap)
The chance, the chance
The time to start a romance girl
Cause all I wanna do is take your
Sweet soft hand
And walk right down to the aisles of love
Cause you're the only mamÃ- in this mundo
That i'm thinking of
So take my heart, here's the lock and key
Tu amor is a special gift to me
So as you drift
To the moon and cielos above
I'm letting you know
This is a chance for loveThe moon is full, the night is hot

Feels so good, hope we'll never stop
Feels so right, it can't be wrong
Gimmie you love tonight
Gonna give it to you all night longChorus
