

# Heartbreaker

Chris Rea

Oh, you see me on your TV  
You tryin' to jump in your set  
You got a load of me  
And now you have that wet  
That you wish that I told you that you was next  
But I'll ring your bells, I'll make you sweat  
You'll lose your breath  
If you had a girl like me, could you handle all this lovin'  
I could make you work for free, I ain't lyin'  
I'm a hazard to your health so take caution, I swear  
You're gettin' taken over if you like it  
I'm just tryin' to warn you, I'm a heartbreaker  
Even if I push up on ya, I'm a heartbreaker  
Even if you get my number, I'm a heartbreaker  
Don't even try to start 'cause I will break your heart  
I'm a heartbreaker  
You buy them magazines  
Just to read the words I say  
You hangin' where I hang  
Just to get a glimpse of me  
I bet you're convinced I'm yours  
But it ain't quite what you think  
Boys, slow down your roll, just pump your brakes  
Pull down you brace, okay, okay, okay  
If you had a girl like me, you'd be actin' dumb crazy  
I'ma save you from yourself 'cause I know you can't take me  
If you think you could be mine, then you buggin', I swear  
You couldn't handle me even if you were here  
I'm just tryin' to warn you, I'm a heartbreaker  
Even if I push up on ya, I'm a heartbreaker  
Even if you get my number, I'm a heartbreaker  
Don't even try to start 'cause I will break your heart  
2, 3, break  
Don't stop, don't stop  
Don't stop, don't stop  
Don't stop, don't stop  
Boy think about it before you try me  
'Cause if you got it, you wouldn't know what to do with me  
Think about it before you try me

'Cause if you got it, you wouldn't know what to do with me  
I'm just tryin' to warn you, I'm a heartbreaker  
Even if I push up on ya, I'm a heartbreaker  
Even if you get my number, I'm a heartbreaker  
Don't even try to start 'cause I will break your heart  
I'm a heartbreaker  
I'm a heartbreaker, heartbreaker  
I'm a heartbreaker
