

Boom Boom Boom

Infectious Grooves

-Muir-Siegel-Trujillo-Pleasents-

What up ya? Give it to me go

Can't make me. Can't break me. And now you know you're the one

Can't fake it. Can't take it. And now you know you're the one

Can't make me. And now you know you're the one

Can't break me. And now your name's number one

Can't make me. And now you know you're the one

Gonna take you out!

Boom Boom Boom Boom. There goes another one! (4x)

I haven't got it quite yet. But you deserve all that you'll get

Like Santa Claus, but with a twist. Your name goes to

the top of the list. Boom Boom Boom Boom

What up lika that! Yea. Do it to it, yea

Can't top me. Can't stop me. And now you know you're the one

Can't lop me. Can't drop me. And now you know you're the one

Can't top me. And now you know you're the one

Can't stop me. And now your name's number one

Can't top me. And now you know you're the one

Gonna take you out!

Boom Boom Boom... Boom! There goes another one! (4x)

Some people will still make a house call. Could be business

or just personal

I don't congratulate for your rise. Just eliminate those I

despise. Boom Boom Boom Boom

Give it to me go. Throw it down, yea! Give it up again. Boom
