

Watch That Man

David Bowie

Shaky threw a party that lasted all night
Everybody drank a lot of something nice
There was an old fashioned band of married men
Looking up to me for encouragement it was so-so
The ladies looked bad but the music was sad
No one took their eyes off Lorraine
She shimmered and she strolled like a Chicago moll
Her feathers looked better and better it was so-so
Yeah it was time to unfreeze
When the reverend alabaster danced on his knees
Slam so it wasn't a game
Cracking all the mirrors in shame Watch that man oh honey, watch that man
He talks like a jerk but he could eat you with a fork and spoon
Watch that man oh honey, watch that man
He walks like a jerk
But he's only taking care of the room
Must be in tune A Benny Goodman fan painted holes in his hands
So shaky hung him up to dry
The pundits were hoking the manholes were smoking
And every bottle battled with the reason why
The girl on the phone wouldn't leave me alone
A throw back from someone's LP
A lemon in a bag played the tiger rag
And the bodies on the screen stopped bleeding
Yeah I was shaking like a leaf
For I couldn't understand the conversation
Yeah I ran to the street, looking for information Watch that man oh honey, watch that man
He talks like a jerk but he could eat you with a fork and spoon
Watch that man oh honey, watch that man
He walks like a jerk
But he's only taking care of the room
Must be in tune
