My bad behaviour, my bad behaviour
Told you i was trouble with my bad behaviour

Told you i was trouble with my

Now tell me if i'm bad
Oooeooo, 'cause i don't wan't no excuses, oooeooo
So don't be serious, oooeooo
I got a good persuaded, oooeooo oh oh oh oooeo

I want the key to your heart, to your heart
And you would know-ow-own from the start, from the start
And if a smile comes it won't be the last, be the last
I got a little problem that i can't seem to solve

My bad behaviour, my bad behaviour
Told you i was trouble with my bad behaviour
My bad behaviour, my bad behaviour
Told you i was trouble with my bad behaviour
Oooeooo bad behaviour

So how's it a surprise? oooeooo
When you knew who you were dating, oooeooo
Just have to have some fun, oooeooo
So we shouldn't be complaining, oooeooo oh oh oh, oooeooo

I want the key to your heart, to your heart
And you would know-ow-own from the start, from the start
And if a smile comes it won't be the last, be the last
Got a little problem that i can't seem to solve

My bad behaviour, my bad behaviour
Told you i was trouble with my bad behavior
My bad behaviour, my bad behaviour
Told you i was trouble with my bad behaviour
Oooeooo bad behaviour

So tell me, t-tell me,tell me
What way should i stop
Here for having fun
We'll do it 'till we drop
So tell me, t-tell me, tell me
Why, why should i go
If we never kno-o-ow

My bad behaviour, my bad behaviour
Told you i was trouble with my bad behaviour
My bad behaviour, my bad behaviour
Told you i was trouble with my bad behaviour
Oooeooo bad behaviour
Oooeooo bad behaviour
Oooeooo bad behaviour
Oooeooo bad behaviour
My bad behaviour
