

What Now

Jordan Smith

I've been ignoring this big lump in my throat
I shouldn't be crying
Tears were for the weaker days
I'm stronger now, or so I say
But something's missing Whatever it is, it feels like its laughing at me
Through the glass of a two sided mirror
Whatever it is, it's just laughing at me
And I just wanna scream What now?
I just can't figure it out
What now?
I guess I'll just wait it out, wait it out
What now?
What now? I found the one, she changed my life
But was it me that changed and she
Just happened to come at the right time?
I'm supposed to be in love but I'm numb again Whatever it is, it feels like its laughing at me
Through the glass of a two sided mirror
Whatever it is, it's just sittin' there, laughing at me
And I just wanna scream What now?
I just can't figure it out
What now?
I guess I'll just wait it out, wait it out
What now?
Please tell me, what now? There's no one to call 'cause I'm just playing games with them all
The more I swear I'm happy, the more that I'm feeling alone
'Cause I spend every hour just going through the motions
I can't even get the emotions to come out
Dry as a bone but I just wanna shout What now?
I just can't figure it out
What now?
I guess I'll just wait it out, wait it out
What now?
Somebody tell me
What now? I don't know where to go
I don't know what to feel
I don't know how to cry
I don't know-oh-oh why
I don't know where to go
I don't know what to feel

I don't know how to cry
(I don't know-oh-oh why
I don't know where to go
I don't know what to feel
I don't know how to cry
I don't know-oh-oh why
I don't know where to go
I don't know what to feel
I don't know how to cry
I don't know-oh-oh why)
Yeah
Oh, I don't know how to feel
I don't know how to cry, yeah
So now somebody tell me
What now
