

Hit Me!

The Sounds

Wake me up
I'm about to give it up
Hey hurry up
Lately it's been hard enough

Try to shut me up
When you know you should wish me luck
And you could beat me up
I'm heading for the top

Hit me hard
Hit me right between the eyes
I wanna see the stars
Hit me, hit me!
Well hit me hard
Hit me right between the eyes
I wanna see the stars
Hit me, hit me!

What a nice surprise
And a dress that's black and tight
I wanna see the light
That takes me through the night
You beat me black and blue
But I can see through you
You know it's up to you
And I can't believe it's true

Hit me hard
Hit me right between the eyes
I wanna see the stars
Hit me, hit me!
Well hit me hard
Hit me right between the eyes
I wanna see the stars
Hit me, hit me!

Hit me, hit me hard!
Hit me hard
Hit me hard

Hit me right between the eyes

I wanna see the stars

Hit me, hit me harder!
