World Peace

Julio Bashmore

World peace or world talk?
Yeah
One, two, three, fourIf we really want world peace and we want it right now
We must make up our minds to take it
(Right now)If we really want world peace and we want it right now
(Right now)
We must make up our minds to take itTake it right now, don't hesitate, world peace
You want world peace? World peace
Peace take it or world talk?
World peace, world peace, world peaceYo, a lot of people are under the assumption
That peace is soft or somethin'
We must begin to reprogram our thought
From how we were taught back in school, and our TV screensStrength, is always mean
Love, is always soft
And peace is too peaceful
When all are equalSit back, and read the papers
About the murderers, thieves, and rapists
We depend on police for justice
But when do we say, enough is enoughRight now and call their bluff
It's not a matter of fronting like you're tough
It's a matter of takin' yours
And livin' universal laws'Cause those laws, cannot be bribed
Nor changed, or paid on the side
You must come correct and walk straight
More love, less and less hateWhen you walk, walk with authority
Tell the negative people, don't bother me
Move your face away, I ain't with it
In a minute, I'm gonna hit itIf we really want world peace and we want it right now
We must make up our minds to take it
(Right now)If we really want world peace
(World peace)
And we want it right now or world talk
(Or world talk?)
We must make up our minds to take it
(Break it down, take it, yeah, world peace)
(Yeah come in)Crash, smash, don't ask
When the negative disrupts the class
How much longer? Get stronger
The battle is getting longerWorld, peace, or world talk

Do we run? Or do we walk?
Charge, if you want world peace, take it
'Cause a lot of our leaders fake it, fraudIt's similar to Armageddon
When the positive people stop lettin'
The negative, control, how we live
Listen to the music I giveIf we really want world peace and we want it right now
We must make up our minds to take it
(Take it)If we really want world peace and we want it right now
(World peace)
(Right now)
(Or world talk?)
We must make up our minds to take it
(Take it)If we really want world peace and we want it right now
(World peace)
We must make up our minds to take it
(Right now)If we really want world peace and we want it right now
(Come in now)
We must make up our minds to take it
(World peace or world talk?)If we really want world peace
(Yes I do)
And we want it right now
(When can I get it?)
We must make up our minds to take it
(Come in)If we really want world peace
(That's it)
And we want it right now
(Right now)
We must make up our minds to take it
(I want it now)If we really want world peace
(I want it right now)
And we want it right now
(We need it right now)
We must make up our minds to take it
(No talk, world peace)If we really want world peace
(Peace)
