Fire

Cathedral

I am the God of hell fire and I'll bring youFire
I'll take you to burn
Fire
I'll take you to learn
I'll see you burnYou fought hard and you saved and earned
But all the things got to burnOut your mind your tiny mind
You know, you've really been so blind
Now's your time burn your mind
You fall apart went far behindOh no, oh no, oh no
You gonna burnFire
To destroy all you've done
Fire
To end all you've become
I'll feel you burnYou've been living like a little girl
In the middle of your little world
Into flames you turn your mind
You know. you've really been so blindNow's your time fool your mind
You 're falling far to far behind
OohFire
To destroy all you've done
Fire
To end all you've becomeYou gonna burn
You gonna burn
You gonna burn
You gonna burnBurn, burn, burn, burn
Burn, burn, burn, burn, burn
WhaaaFire
I'll take you to burn
Fire
I'll take you to learnFire
I'll take you to bed
Fire
To destroy all you've doneFire
To end all you've become
Fire
I'll take you to burnI'll see you burn
Destroy all you've done
Fire, fire
I'll take you to hell
