Listing

Minus the Bear

i was reliving everything you said and then it caved in no one else can make me feel the same it's how livethe tide is chasing us in don't get wet don't get wet yeah no one can see me listening no one can see don't you listen watching me singnow you got me you're stuck in my head and you're not even close, to where i am sometimes this city brings you in lets you know we livedwell off to who ever is him but you and himno one can see me listening no one can see don't you listen watching me singsometimes i forget just for a bit X5no one can see me listening no one can see don't you listen watching me sing
