More Than Ever

Lydia Loveless

What's it gonna for take for me to stay
It's hard enough to find someone anyway
And if I stay until the end
I get down on what might have been
Harder to take
Every dayWell I don't like you too much anymore
Food has lost that taste you had before
More than ever
More than ever
Well I don't wanna listen to you talk
Darling don't you wanna come and take a walk
But if self-control is what you want
I'll have to break all of my fingers off
Because it's harder to take every day
Mmmm, it's harder to take
Well, every dayThe feelings that I should have just ignored
Well now they're just a step across the floor
Well your mistress is finally ?harder on the door?
But I guess you don't wanna see her anymore
No more than ever
More than ever
MoreHarder to take
Every day
Harder to take
Every day
