

Kisses of Fire

ABBA

Lay your head on my chest

(Ooh)

So you hear every beat of my heart

(Ooh)

Now there's nothing at all

(Ooh)

That can keep us apart

(Ooh) Touch my lips

(Ooh)

Close your eyes and see with your fingertips

(Ooh)

Things that you do

(Ooh)

And you know I'm crazy about you

(Ooh) Kisses of fire burnin' burnin'

I'm at the point of no returnin'

Kisses of fire, sweet devotions

Caught in a landslide of emotions

(I've had)

I've had my share of love affairs and they were nothing compared to this

Oh, I'm ridin' higher than the sky and there is fire in every kiss

Kisses of fire

Kisses of fire When you sleep by my side

I feel safe and I know I belong

Still it's making me scared

That my love is so strong Losing you

It's a nightmare babe and to me it's new

Never before

Did you see me beggin' for more Kisses of fire burnin' burnin'

I'm at the point of no returnin'

Kisses of fire, sweet devotions

Caught in a landslide of emotions

(I've had)

I've had my share of love affairs but they were nothing compared to this

Oh, I'm riding higher than the sky and there is fire in every kiss

Kisses of fire

Kisses of fire (Kisses of fire burnin' burnin')

I'm at the point of no returnin'

(Kisses of fire, sweet devotions)

Caught in a landslide of emotions
(Kisses of fire burnin' burnin')
(I'm at the point of no returnin')
(Kisses of fire, sweet devotions)
I'm riding higher than the sky and there is fire in every kiss
(Caught in a landslide of emotions)
(Kisses of fire burnin' burnin')
I'm at the point of no returnin'
(Kisses of fire, sweet devotions)
Caught in a landslide of emotions
(Kisses of fire burnin' burnin')
