Pleasure Drive

The Jezabels

I got a 66 baby
And I'm born to rock
I got a one track mind
Just to get me offI got a 66 baby
I don't give a fuck
Just gimme one more number
And a little luckThe pleasure driveI got a 66 baby
And I'm bored to tears
I got a one track mind
Just to get undressed
I got a 66 baby
And I like your style
Just need one more number
I'll make you mineThe pleasure drive
The pleasure drive
The pleasure driveThe pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
And I'm not like you'da thought
Forget the nail you're hanging from
What's a nipple and a laugh?
She's in your headNo I'm not like you'da thought
Forget the name you call me on
Was it simple as it served
The memory?I got a 66 baby
And I'm born to rockI got a 66 baby
And I don't give a fuck
Just gimme one more number
I'll make you mineThe pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive
The pleasure drive

The pleasure driveAnd I'm not like you'da thought
Forget the nail you're hanging from
What's a nipple and a laugh?
She's in your headNo I'm not like you thought
Forget the name you call me on
Was it as simple as it served
The memory?The memory
The mammary
What's a nipple and a laugh?
The memory
The memory
The mammary
Forget the name you had
Forget the memory
