

# i'll never find another

Victor Atenaga

Verse

O Lord My God as King, saviour of the world  
The forgiver of my sins  
You are the One that died and rose  
And now in heaven You are praying for me

Chorus

I'll never find another Saviour, saviour, Oh no  
I'll never find another Saviour, saviour like You  
(Repeat verse)

I'll never find another Saviour, saviour, Oh no  
I'll never find another Saviour, saviour  
I'll never find another Saviour, saviour, Oh no  
I'll never find another Saviour, saviour, like You

No no no no no no no  
I'll never find, I'll never find  
No no no no no no no  
I'll never find, I'll never find

Never find, never find,  
Never find, never find

Vamp

I'll never find another (Saviour, Saviour)  
Healer, healer  
Provider, provider  
Jesus, Jesus  
Jesus Jesus....
