

I Will Love Again (Xavier Santos Xsessive Mix)

Lara Fabian

Did I ever tell you how you live in me
Every waking moment,even in my dreams
And if all this talk is crazy
And you don't know what I mean
Does it really matter
Just as long as I believeI will love again
Though my heart is breaking,I will
Love again
Stronger than before
I will love again
Even if it takes a lifetime to get over you
Heaven only knows,I will love againPeople never tell you
The way they truly feel
I would die for you gladly
If I knew it was for real
So if all this talk sounds crazy
And the words don't come out right
Does it really matter
If it gets me through this nightI will love again
Though my heart is breaking,I will
Love again
Stronger than before
I will love again
Even if it takes a lifetime to get over you
Heaven only knows,I will love againIf I'm true to myself,nobody else can take
The place of you
But I've got to move on,tell me what else
Can I doI will love again
Though my heart is breaking,I will
Love again
Stronger than before
I will love again
Even if it takes a lifetime to get over you
Heaven only knows,I will love againI will love again
One day I know,I will love again
You can't stop me from loving again,
Breathing again
Feeling again

I know,one day,I'll love again
