

Heartbreaker

Emilia de Poret

Ohhh I'm here'n just having fun
And I never meant to make you cryOhhh I take you one at time
So I'll hit you back later tonightOhhh this is who I am
And who I'm supposed to be
All that matters is meOhhh got no one to blame
Guess I'll always be messed up
for the rest of my life[Chorus]
If you can't take that
I'm a love maker
What you gonna do when I'm a heartbreaker
If you can't take that
I'm a soulshaker
What you gonna do if I'm a heartbreakerOhhh I think I've done it again
But I never meant to make you cryOhhh and did I mess up again
When I promised you a call tonightOhhh this is who I am
And who I'm supposed to be
All that matters is meOhhh got no one to blame
Guess I'll always be messed up
for the rest of my life[Chorus]
