You've Come Back

Lesley Gore

You've come back
Thank God at last, you've come back
And darling I won't ask the reason why or even try to find out
'Cause all I care about is that you've come back
Thank God you're here
You've come back
It doesn't matter dear who's wrong or right, just hold me tight and kiss me and show me that you miss meJust being here again with you
Is worth all the pain and tears that I've been through
You've come back
Oh happy days
You've come back
And believe me when I say, I'm gonna try as much as I know how to keep you now
To keep you keep now...that you've come back
