

Do It Right (feat. Tkay Maidza)

Martin Solveig

What you doing with my head?
I may let you go ahead
But you gotta do it right, right, right
Show me that you'll make us spin
If I let you try again
Boy, you gotta do it right, right, rightOh
Come on over
Oh
Let's get together
Come on, turn the lights down
See there's no rewind now
Let's cross the line
Show me yours, I'll show you mineJust do it right (all night)
Do it right (all night)
Do it right (all night)
All night, all night
Do it right (all night)
Do it right (all night)
Do it right (all night)
All night, all nightDo it right
