

No Good For Me

The Corrs

I see a home in a quiet place
I see myself in a strong embrace
I feel protection from the human race
It's not parental
But it's a fantasy, not a reality
And it's no good, no, no good for me
You have no idea
That I'm walking through the clouds
When you're looking at me
I'm feeling like a child, vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me
You have a home in a quiet place
And someone else feels your strong embrace
She is protected and she needs no chase
And do you love her?
You're a mystery, you are the heart of intrigue
You're no good, no, no good for me
That you have no idea

That I'm walking through the clouds
When you're looking at me
I'm feeling like a child, vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me
No it's no good for me, no good for me
It's a make believe
You have no idea
That I'm walking through the clouds
When you're looking at me
I'm feeling like a child, vulnerability
I am shaking like a leaf if you move close to me
And you're all that I see
But it's no good for me, no good, no good
Through the clouds
When you're looking at me
I'm feeling like a child, vulnerability

I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good, it's no good for me
