

Get Yourself Another Fool

Sam Cooke

At last I've awakened to see what you've done.

All I can do is pack up and run.

Now I know the rules.

Find yourself another fool.

You said that you loved me.

I was yours to command.

Your kind of loving, my heart couldn't stand.

You played me for a fool.

Find yourself another fool.

And now, now that we're through, you say you wished you'd be true.

Oh, but deep down in my heart, I know our love could never grow.

And now, now that we're through, you say you wished you'd be true.

Oh, but deep down in my heart, I know our love will never grow.

At last I've awakened to see what you've done.

All I can do is pack up and run.

Now I know the rules.

Find yourself another fool.

Now I know the rules.

Find yourself another fool.
