

Starchild

Level 42

When I was an infant in my mothers arms
I would watch the starlight in her face
`Cause I was reaching out to understand the cosmic charm
I am just a starchild born in space.Way up high above the sky
All that beauty passes by
Whole worlds still unknown
And out beyond the blue
There`s a place for people too
It`s time for us to go.I have seen the sun shine bright in paradise
I have been there, I have seen itRepeat chorus
We have time
(In my dreams)
Time and space
While we`re young
(Floating free)
We can chase to the stars.
