

# Stomp

## Young Buck, T.I. & Ludacris

Uh, oh, young buck  
Dirty south, yo  
I hear him talkin' but he 'bout to get that ass stomp  
Watch how I get the club crunk, I'ma make 'em stomp  
We ain't playin' wanna front, get that ass stomp  
Do it like them dirty south boys do and stomp  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
I'm Cadillac n through the hood sittin' on 24's  
T.V's playin' rim's spinnin', blowin' plenty 'dro  
Don't have to mention when you pimpin' you get plenty hoes  
It's all on you if you gon' trick or you gon' get yo' dough  
I know I got these haters, mad I can love that  
When you got love for the streets, they give ya love back  
Look in my eyes, you can tell I ain't never scared  
Poppin' them thangs, I'm rockin' my chain anywhere  
If you gon' represent your hood, what you waitin' on?  
Security better back up when they play this song  
And we 'bout 50 strong, please don't make us do you wrong  
My click of guerrilla's they got they G-Unit's on  
All of that mean muggin' really don't mean nothin'  
C'mon n' take it outside, let me see somethin'  
W-w-what now? Don't get B-B-Buck'd down  
Stop all this hatin' or this club gon' get s-s-shut down  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
I hear him talkin' but he 'bout to get that ass stomp  
Watch how I get the club crunk I'ma make 'em stomp  
We ain't playin' wanna front, get that ass stomp  
Do it like them dirty south boys, do and stomp  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
G-G-G-Unit, comin' straight outta Compton  
Lace up my G-6's and I'm A-Town stompin'  
Got ten-thousand cash in my pocket, let the pump in

'Cause Luda and Young Buck always gettin' me into somethin'  
Low rider out front, I'm tryin' to get into somethin'  
Step on banks, shoot one more time then I'ma start bustin'  
Rows gold in my grill, I got a dirty mouth  
And a bitch with a fat ass from the dirty, dirty south  
I wasn't tryin' to get the cover of the Double XL  
Just tryin' to fuck Mya 'cause Dre said, "Sex sells"  
Don't be mad at the rocks in my fuckin' chain  
Don't be mad 'cause your bitch chose Buck and Game  
You see the logo tatted on my neck  
The same one I'm autographin' on the chest  
Put your bottles in the air for Yayo, he on House Arrest  
And on behalf of 50 Cent, this is G-Unit West  
Now stomp, G-G-G-Unit, now stomp, G-G-G-Unit  
I hear him talkin' but he 'bout to get that ass stomp  
Watch how I get the club crunk, I'ma make 'em stomp  
We ain't playin' wanna front, get that ass stomp  
Do it like them dirty south boys do and stomp  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off  
Mothafucka, I'm a monster in this game similar to the Lochness  
My rhymes is nappy rooted, some verses gotta process  
The truth in this booth, ain't no doubt when I'm rappin'  
If I say it I've either done it or it's 'bout to happen  
When I pull up in the Louis truck on 26's people dumb out  
If life's a crap game, I'm rollin' 7's on the come out  
These rapper's think I'm ignent, love sayin' my name  
'Cause maintainin' my fish tank an' they house cost the same  
Ask me I'll say I made it an' it sure wasn't luck  
'Cause hustler's relate to me and some are younger than Buck  
You see I'm married to my music but we got a prenupt  
So, if that bitch don't act right, I'm still gettin' my cut  
My deals never get screwed my contracts practice abstinence  
I'm masterin' this program hazin' these undergraduates  
So, pimpin' be easy, quit catchin' feelings  
'Cause you worth a couple hundred grand and I'm worth millions  
Nobodys thinkin' about you plus your beef ain't legit  
So, please stay off the T I P of my dick  
I hear him talkin' but he 'bout to get that ass stomp  
Watch how I get the club crunk, I'ma make 'em stomp  
We ain't playin' wanna front, get that ass stomp  
Do it like them dirty south boys do and stomp  
Now, where you from? Who the boss? I'ma break him off

Where you from? Who the boss? Lemme break him off  
Now, where you from? Who the boss? I'ma break him off  
Where you from? Who the boss? Lemme break him off
