

The Boogie That Be

Black Eyed Peas

Yo-you hear them sirens?I know you hear 'em

Don't get scared

That ain't five-o

No that's the funk yo'

Yeah

Don't act like you didn't know

No

It's just the way it goes

Yeah

When you're messin' with the funk

Yeah

You pump it in your trunk

Yeah

You know it's what you want

Yeah

So just bump da bump da bump bump it up[Chorus]

Bounce boo to the boogie that be

You know I want you to come boogie with me

We can dip left slide right all night

It's time to be wild freestyleIt's on and poppin'

Ain't no stoppin'

Us from rockin'

From tonight till ten o'clock in the morning

Got neighbours knockin'

Turn it down

Fuck them go call the cops and watch them kids

Walk in start boppin' heads to what that beat they droppin'

He play funk, punk, and hip-hoppin' breakin' laws yeah

Cultures shockin'

We be pop lockin' and mashin'

I get down and groove to cuts

Check my art of movin' butts

Now these cats are scared to dance

This beat next

Ooh

There's my chance

Come on girl

Let's go out and dance on the floorHa[Chorus]We can dance and dance, dance
