Who Do You Think You Are? (2012 Remaster)

Gentle Giant

Yeah, now I'm back here in Hollywood, I pick up the phone, turn the pages
Hi, got a friend and he said I should not be on my own, Come on over,
take you to our show. What are you doing?Who do you think you are? You're not even the main star
Even if I could come, how would I know you're the one?
Who do you think you are? You can put around you're a star
Well I might not be on time. Leave my name at the doorWell, you can bet here that anyone wants to take a ride
No tomorrow
So you can bet here that everyone will be at your side
Doesn't matterWho do you think you are? You're not even the main star
