

Scoff (Live At Pine Street Theatre)

Nirvana

In my eyes, I'm not lazy
In my face, It's not over
In your room, I'm not older
In your eyes, I'm not worth it
Gimme back my alcohol

Heal a million, kill a million

In my eyes, I'm not lazy
In my face, It's not over
In your room, I'm not older
In your eyes, I'm not worth it
Gimme back my alcohol

Heal a million, kill a million

In my eyes, I'm not lazy
In my face, It's not over
In your room, I'm not older
In your eyes, I'm not worth it
Gimme back my alcohol

Heal a million, kill a million
