

Jesus

Bizzy Bone

Intro:

I don't think they ready for this one, Eric

Tell him

(Shed your blood) *in background*

Cause Jesus was the light of my life

God saves

Cause Jesus shed his blood

Chorus:
Don't Jesus make you feel good (x3) Through the stormy breeze

And my children play as the day goes

How I feel like

Through the stormy breeze

And my children play as the day goes

How I feel like goin' on...goin' on...I'm goin' on

Cause Jesus makes me feel good

Chorus (x2):
Don't Jesus make you feel good (x3) Son make sure you always take care of family

And when I'm gone I'm free

But if you need me

Remember to close your eyes

And look to the stars up in the sky son

That's where I'll be

Screamin' seven

Heaven's been waiting for me

Chorus:
Cause Jesus make you feel good (x3)

Don't Jesus make you feel good (x3) I like to look out my bedroom window

And watch all the children play play play

Just watch them play

But where will they go when the games are over

I hope they got a place to stay

Please do stay

Oh it's a sad situation

Though my heart just keeps on racin'

And one thing that I must know

Tell me

Chorus (x2):
Don't Jesus make you feel good (x3) We are blessed in the spirit

(Shed your blood)

Cause Jesus makes me feel real good good good
