Better off without you

Cleaners The

Stop callin' me late at night,
To talk about what's wrong,
I don't care anymore,
You waved that right so long,
It's so annoying when you whine,
You were always wasting my time,
I used to care and want you back,
But now I think you're going off track,
And if you said you're never comin' back,
I'd Be so happy, I'd Be so happy,
I'd laugh the whole night long.I'm better off without you,
We both know that it's true,
I'm better off without you,
Stop calling me, you gotta stop callin',
Stop calling me, oh gotta stop,Talking to all my friends,
They told me when we split,
They didn't ever like you,
Now they've lost all sympathy,
It's so embarrassing when you cry,
You were always spreading these lies,
I used to miss you all the time,
But now I think you're not so fine,
And if you said you'd never waste my time,
I'd be so happy, I'd be so happy,
I'd laugh the whole night long,I'm better off without you,
We both know that it's true,
I'm better off without you,
There is no need, There is no need,
There is no need, there is no me and you.He doesn't want you, can't you see?
He doesn't love, why won't you listen to me?
He doesn't want you, can't you see?
He doesn't want, why won't you listen to me?I'm better off without you,
We both know that it's true,
I'm better off without you,
Stop calling me, you gotta stop callin',
Stop calling me, you gotta stop callin',
Stop calling me, you gotta stop!
