## Juicy J

Time waist for no man  
You gotta boss up man  
It's time to stop playing around, being lazy nigga  
Get up and get to the money nigga  
Grind nigga  
Believe in your motherfucking self nigga  
Motivation bruhStarted off with nothing, now I'm bossed up  
Started in the gutter now I'm bossed up  
Got it out the mud now I'm flossed up  
Yeah, all my niggas good, yeah they sauced up  
Bossed up, nigga, I done bossed up  
Bossed up, nigga, I done bossed up  
I'm bossed up, you don't wanna cross us  
Bossed up, all my niggas sauced upIf you rich then you a gangsta nigga  
All the tough shit, that ain't gangsta nigga  
Fuck around and find you in a bodybag  
I'm just tryna fill out all these moneybags  
See me, I'm what a drug dealer dream about  
Fucking bad bitches, backing beamers out  
If niggas want some smoke we pull them steamers out  
I be so damn fresh, I cashed the cleaners out  
See niggas taking shots but I'm so bulletproff  
I just laugh at 'em, couple Bentley coupe  
I swear I be so high I gotta loose the roof  
See niggas got a lackers, they know I'm the truth  
See where I'm from nobody gives a fuck about you  
I know rappers, I know trappers, I know real clappers  
If you ain't getting money nigga then you hustle backwards  
Choppers on the backseat if you want some actionStarted off with nothing, now I'm bossed up  
Started in the gutter now I'm bossed up  
Got it out the mud now I'm flossed up  
Yeah, all my niggas good, yeah they sauced up  
Bossed up, nigga, I done bossed up  
Bossed up, nigga, I done bossed up  
I'm bossed up, you don't wanna cross us  
Bossed up, all my niggas sauced upBosses, I'm with bosses I don't care bout what the costs is  
We ain't tryna take no losses, we don't deal with fake shit often  
I ain't after go to college, taught my self and now I'm balling  
Like the summer I went out to New Orleans and came back bossing

And if a nigga play me we gone toss 'em  
I don't touch 'em, I just got to make call  
They waiting for me to fall but that ain't bout to happen  
They playing tough but they ain't saying much about the captain  
My niggas bout that action  
You (?) your bitch heard about the thing I'm packing  
I don't care about no fashion, I'm a writer not a rapper  
No day moving past us, niggas moving backwards  
I ain't worried bout the pussy I'm just wondering where the cash is  
I just do it different, I just made my cake the fastest  
If a nigga tripping get a thing and then we blast it  
I just rolled some weed and fucked your bitch, that's why I'm laughing  
It's young Wiz, Taylor Gang Started off with nothing, now I'm bossed up  
Started in the gutter now I'm bossed up  
Got it out the mud now I'm flossed up  
Yeah, all my niggas good, yeah they sauced up  
Bossed up, nigga, I done bossed up  
Bossed up, nigga, I done bossed up  
I'm bossed up, you don't wanna cross us  
Bossed up, all my niggas sauced up I might be that nigga that might run your label  
I might be that nigga put food on your table  
I might be that nigga that you see on cable  
But I'm bossed up so my young nigga might pay you  
The devil working on me so I'm prayed up  
Them niggas went to bed so I stayed up  
How many times I gotta tell you I'm a player  
King of my city, I might run for mayor  
Mafia yeah that's that new mafia  
Niggas see you shining so they copy ya  
Now they all sitting round plotting on stopping ya  
But that's when all them bodies popping up  
I got a dope bitch, she be on some dope shit  
Your bitch on some hoe shit, she just want the dope dick  
Coke in her veins now she wanna fuck the whole clique  
She gone bust it open, she say she can take the whole dick Started off with nothing, now I'm bossed up  
Started in the gutter now I'm bossed up  
Got it out the mud now I'm flossed up  
Yeah, all my niggas good, yeah they sauced up  
Bossed up, nigga, I done bossed up  
Bossed up, nigga, I done bossed up  
I'm bossed up, you don't wanna cross us (cross us)  
Bossed up, all my niggas sauced up All my niggas sauced up
