

# Pilots (Live @ Shepherds Bush Empire Dec 2001)

## Goldfrapp

Armored cars sail the sky  
They're pink at dawn  
If I lived forever you just wouldn't be so beautiful  
As the sun  
When it shines  
All over the world  
We're pilots watching the stars  
The world pre-occupied  
We're pilots watching the stars  
Who do you think we are?  
Ice and clouds  
Shimmer outside  
Rain just falls  
At magic hour  
It's just the sound  
Of you and me  
Time twitching  
Murmurs of our friendly machine
