

Take to the Sky (Russia) [B-side Version]

Tori Amos

This house is like Russia
With eyes cold and gray
You got me moving in a circle
I dyed my hair red today I just want a little passion
To hold me in the dark
I know I've got some magic
Buried deep in my heart, yeah But my priest says
You ain't saving no souls
My father says
You ain't making any money My doctor says
You just took it to the limit
And here I stand
With this sword in my hand You can say it one more time
What you don't like
Let me hear it one more time then
Have a seat while I take to the sky My heart is like the ocean
It gets in the way
So close to touching freedom
Then I hear the guards call my name But my priest says
You ain't taking no souls
My father says
You ain't making any money My doctor says
You just took it to the limit
And here I stand
With this sword in my hand You can say it one more time
What you don't like
Let me hear it one more time then
Have a seat while I take to the sky If you don't like me just a little
Why do you hang around
There she goes again
Wearing those purple panties There she goes again
Wearing her heart
There she goes again
Why do you take it You can say it one more time
You can say it one more time
You can say it one more time
What you don't like Let me hear it one more time then
Have a seat while I take to the sky
