

Young Forever (Mixin Marc & Tony Svejda Club Mix)

The Ready Set

We'll, we'll be young forever.
We'll, we'll be young forever. We can be like prisoners, yeah,
And we can be alone.
Or we can make a mess like no one knows
And risk it on our own. Spendin' the money that we don't have
'Cause we don't care, no-oh!
Livin' like kings with broken strings
And face down to the floor. (Ooh, ooh)
Livin' with our headphones up.
(Ooh, ooh)
We got sound and that's enough.
(Ooh, ooh)
Nobody can touch us,
And we run and we run and we run! Hey, hey we'll be young forever,
We'll be young forever 'till forever stops. We're singin' hey, hey we'll be young forever,
Tonight will last forever 'till our bodies drop. We can run through the night.
Write our name up in the sky.
Got the music on our side.
Hey, nobody gonna catch us!
Singin' hey, hey we'll be young forever,
On the run forever and we'll never stop.
(Don't stop, don't stop now.) Look at us, look at us, we'll take the whole world by surprise.
Million dollar- mind set in place you can see it in our eyes.
Everything here is ours to take, so come and take your side.
Living like kings with broken strings,
And the beats so synthesized. (Ooh, ooh)
We can turn the speakers up,
(Ooh, ooh)
'Cause we got sound and that's enough.
(Ooh, ooh)
Nobody can touch us,
And we run and we run and we run. Hey, hey we'll be young forever,
We'll be young forever 'till forever stops. We're singin' hey, hey we'll be young forever.
Tonight will last forever
'Till our bodies drop. We can run through the night.
Write our name up in the sky.
Got the music on our side.
Hey, nobody gonna catch us!
Singin' hey, hey we'll be young forever,

On the run forever and we'll never stop.
Don't stop, don't stop now Oh woah, oh woah
We're gonna rule the world tonight.
Oh woah, oh woah
The beat of the drums keeps us alive!
Tonight will last forever 'till our bodies drop. Hey, hey we'll be young forever,
We'll be young forever 'till forever stops. We're singing hey, hey we'll be young forever.
Tonight will last forever
'Till our bodies drop.
We can run through the night.
Write our name up in the sky.
We can run, run, run away.
Nobody gonna catch us.
Singin' hey, hey we'll be young forever,
On the run forever and we'll never stop.
Don't stop, don't stop now Run, run, run away.
We can run, run, run away.
