

Dressed Up

Epsilons

My girlfriend says I canâ€™t wear her clothes anymore, oh, oh!
She says I look just like a ten dollar whore, oh, oh!
I donâ€™t care just how my family feels
This dress says â€œsexâ€• with grandmotherâ€™s heels

Iâ€™m a woman trapped inside a manâ€™s body
So oddly
The boys at the drag club thought I was
A hottie
'Til she caught me
I will die if I canâ€™t wear your
Spandex pants
When I dance
I hope my weird fetish wonâ€™t affect
Our romance

My girlfriend thinks that I raid her underwear drawer, oh, oh
She says that I've started to go through her drawer, oh, oh!
I donâ€™t care just how my family feels
This dress says â€œsexâ€• with grandmotherâ€™s heels

Iâ€™m a woman trapped inside a manâ€™s body
So oddly
The boys at the drag club thought i was
A hottie
'Til she caught me
I will die if I canâ€™t wear your
Spandex pants
When I dance
I hope my weird fetish wonâ€™t affect
Our romance

Iâ€™m a woman trapped inside a manâ€™s body
So oddly
The guys at the drag club thought i was
A hottie
'Til she caught me
I would die if I canâ€™t wear your
Spandex pants
When I dance

I hope my weird fetish won't affect
Our romance
