

# Isaiah Song (Cleanse Me)

**Paul Enenche**

I see the Lord high and lifted  
And his train filled the temple  
Above it stood the seraphim  
With each one having six wings all around them  
I see the Lord high and lifted  
And his train filled the temple  
Above it stood the seraphim  
With each one having six wings all around them  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me  
Make me ready for your use.  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me  
Make me ready for your use.  
With Twain they covered their face  
With Twain they covered their feet  
And also With Twain did they fly  
In the awesome presence of the most high God.  
With Twain they covered their face  
With Twain they covered their feet  
And also With Twain did they fly  
In the awesome presence of the most high God.  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me

Make me ready for your use.  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me  
Make me ready for your use.  
They cried holy, holy, holy  
Is the Lord of host most high  
And the post of the temple door  
Moved at their voice and the house was filled with smoke.  
They cried holy, holy, holy  
Is the Lord of host most high  
And the post of the temple door  
Moved at their voice and the house was filled with smoke.  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me  
Make me ready for your use.  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me  
Make me ready for your use.  
And then I said woe is me  
For I am undone oh lord  
And then I said woe is me  
For I am undone oh lord  
Please with your coal cleanse me  
Make me ready for your use  
Please with your coal cleanse me  
Make me ready for your use.  
Please with your coal cleanse me  
Make me ready for your use.  
Please with your coal cleanse me  
Make me ready for your use.

Please with your coal cleanse me  
Make me ready for your use.  
Please with your coal cleanse me  
Make me ready for your use.
