Angel

Everlast

Hey now all you sinner
Put your lights on
Put your lights on
Hey now all you lovers
Put you lights on
Put your lights on
Hey now all you killers
Put you lights on
Put you lights on
Hey now all you children
Leave your lights on
Leave you lights on
Because there's a monster living under my bed
Whispering in my ear
There's an angel with a hand on my head
She says I've got
Nothing to fear
There's a darkness deep in my soul
I still got a purpose to serve
So let your lights shine
Into my home
God don't let me lose my nerve
Hey now, hey now
Hey now, hey now
Wo-oh hey now, hey now
Hey now, hey now
Hey now all you sinners
Put you lights on
Put you lights on
Hey now, all you children
Leave your lights on you better leave your lights on
Because there's a monster living under my bed
Whispering in my ear
There's an angel with a hand on my head
She says I've got
Nothing to fear
She says, whooo-ahha hey la la
You shine like stars
Whoo-aohaha hey la la

You shine like stars
And fade away
