Song For Jainie

Tim Buckley

You've got the untortured mind of a woman
Who has answered all the questions before
You've got the free-givin' ways of a woman
Who has kicked all the heartache out the doorAnd Jainie, don't you know?
Jainie, don't you know I been tryin'?
Jainie, don't you know?
Jainie, don't you know I been tryin'?I brought to you my tired plans and wearied faith to you
And with a smile you took me in and showed me love again
Now it has to be say goodbye or stay that I don't know
But remember please I gave you love that's only mine to giveAnd Jainie, don't you know?
Jainie, don't you know I been tryin'?
Jainie, don't you know?
Jainie, don't you know I been tryin'?Yes, I truly love to be with you
If I wasn't with the one that I'm with
Yes, I truly love to lie by you
If I didn't have to give what I giveAnd Jainie, don't you know?
Jainie, don't you know I been tryin'?
Jainie, don't you know?
Jainie, don't you know I been tryin'?I brought to you my tired plans and wearied faith to you
And with a smile you took me in and showed me love again
Now it has to be say goodbye or stay that I don't know
But remember please I gave you love that's only mine to giveAnd Jainie, don't you know?
Jainie, don't you know I been tryin'?
Jainie, don't you know?
Jainie, don't you know I been tryin'?
