I Can Go

White Arrows

He never know what happened before
I saw your name and I couldn't be sure
Yeah you know it'll happen again
Sitting down with a horse in the rain
Didn't see him at your home
He got no money and you're all alone
Know what here we go again
It happened once it'll happen again
Leave me alone when you call my house
Leave me alone when you call my house
Say, I can go
I can go
Leave me alone when you call my house
Leave me alone when you call my house
Say, I can go
I can go
Fool me once she fool me again
He was always around my friends
I'm away and I'll never come home
I'm in a desert all alone
Walking all freakin night
I took 'shrooms before my flight
Freaking out and got all scared
Like insects weren't there
Leave me alone when you call my house
Leave me alone when you call my house
Say, I can go
I can go
Leave me alone when you call my house
Leave me alone when you call my house
Say, I can go
I can goStarted mesmerizing tell me I got to see it all...
Can't catch the colors, and it turns into another
Leave me alone when you call my house
Leave me alone when you call my house
Say, I can go
I can go
Leave me alone when you call my house
Leave me alone when you call my house

Say, I can go
I can go
