

I Can Go

White Arrows

He never know what happened before
I saw your name and I couldn't be sure
 Yeah you know it'll happen again
 Sitting down with a horse in the rain
 Didn't see him at your home
 He got no money and you're all alone
 Know what here we go again
 It happened once it'll happen again
 Leave me alone when you call my house
 Leave me alone when you call my house
 Say, I can go
 I can go
 Leave me alone when you call my house
 Leave me alone when you call my house
 Say, I can go
 I can go
 Fool me once she fool me again
 He was always around my friends
 I'm away and I'll never come home
 I'm in a desert all alone
 Walking all freakin night
 I took 'shrooms before my flight
 Freaking out and got all scared
 Like insects weren't there
 Leave me alone when you call my house
 Leave me alone when you call my house
 Say, I can go
 I can go
 Leave me alone when you call my house
 Leave me alone when you call my house
 Say, I can go
I can goStarted mesmerizing tell me I got to see it all...
Can't catch the colors, and it turns into another
 Leave me alone when you call my house
 Leave me alone when you call my house
 Say, I can go
 I can go
 Leave me alone when you call my house
 Leave me alone when you call my house

Say, I can go

I can go
