

# Invisible Empire

## Pungent Stench

I often wonder and ask myself  
Who is that hidden force  
Who is that corporation  
Whatever named secret source  
Who's that in the back  
The one who pulls the strings  
Who dominates all the world  
And becomes King of all Kings  
Invisible empire - world wide  
Who's leading the leaders  
Who got all the might  
Regulates the markets  
Maybe masonic right?  
Who's behind world bank  
And dictates a world war  
Judges about life and death  
A world domination Corps?  
Invisible empire - world wide  
Invisible empire  
Power and might  
Templars clash  
Dominate humanity  
Power and cash  
Conspiracy clash  
Kol Nidre  
Financial might of the USA  
War finance  
Masonix Lodge & Judae  
Black Reich  
New world order strike  
Templar Knight  
Just a name for greed & spite  
Invisible empire - world wide  
Invisible empire  
Power and might  
Templars unit  
Dominate humanity  
Power and cash  
Conspiracy clash
