

Once In a Very Blue Moon

Dolly Parton

I found your letter in my mailbox today
You were just checkin' if I was okay
And do I still miss you
Well, you know what they say Just once in a very blue moon
Just once in a very blue moon
Just once in a very blue moon
And I feel one comin' on soon No need to tell me you'd like to be friends
And help me get back on my feet again
And if I still miss you?
Well, it's just now and then Just once in a very blue moon
Just once in a very blue moon
Just once in a very blue moon
And I feel one comin' on soon There's a blue moon shinin'
When I'm reminded of all we've been through
Such a blue moon shinin'
Does it ever shine down on you? Oh, 'cause you act like it never even hurt you at all
And I'm the only one gettin' up from a fall
Tell me you don't feel it, oh can't you recall Just once in a very blue moon
Just once in a very blue moon
Just once in a very blue moon
And I feel one comin' on soon
Just once in a very blue moon
