

Like a Hurricane

Neil Young

Once I thought I saw you in a crowded hazy bar
Dancin' on the light from star to star
Far across the moonbeam I know that's who you are
I saw your brown eyes turnin' once to fire You are like a hurricane
There's calm in your eye
And I'm gettin' blown away
To somewhere safer where the feelin' stays
I wanna love you but I'm gettin' blown away I am just a dreamer but you are just a dream
And you could have been anyone to me
Before that moment you touched my lips
That perfect feeling when time just slips
Away between us and our foggy trip You are like a hurricane
There's calm in your eye
And I'm gettin' blown away
To somewhere safer where the feelin' stays
I wanna love you but I'm gettin' blown away
Blown away You are just a dreamer and I am just a dream
You could have been anyone to me
Before that moment you touched my lips
That perfect feeling when time just slips
Away between us on our foggy trip You are like a hurricane
There's calm in your eye
And I'm gettin' blown away
To somewhere safer where the feelin' stays
I wanna love you but I'm gettin' blown away
